Spring Communiqué from your Embellishment Committee

Spring is finally with us after a long and challenging winter! Bravo we made it!

Your Volunteer Stanbridge East Embellishment Committee has already been busy! We have teamed up with the learning hub for an information session about Lyme disease (May 2nd Thursday at 6:30 at the Rec Center). The foot bridge over Furnace Creek to Stanton Graveyard has been repaired and we have new planter boxes and baskets for the bridge and Fire Hall. Keep an eye out for a spectacular display this year!

We are planning to have a movie night outside in the park in August and we welcome your input to our FACEBOOK page: Stanbridge East Embellishment Comité d'embellissement. Please like and follow us and keep up with new events! Send your pictures and posts to Astrid: astriddore@yahoo.ca

Your suggestions are always welcome! And we are always eager to recruit new members!! Please join us once a month on a Thursday, March through September (next meeting May 30, 7-9pm at the Town Hall).
