

FIRE PREVENTION TIP

FIREWORKS: SMALL PLEASURES, BIG DANGERS.

In Quebec, the sale, possession and use of fireworks are **PROHIBITED WITHOUT PERMIT.**

ADOPT GOOD PRACTICES

IN AGRICULTURAL AND RESIDENTIAL AREAS

KEEP YOUR DISTANCE

Store flammable materials (gasoline, propane, oil, etc.) in a safe place.

KEEP IT CLEAN

Keep your buildings and equipment clean and well maintained.

BE CAREFUL

Be careful during outdoor work (welding, grinding, machinery maintenance).

MONTH OF
JUNE

Every year, fireworks are the cause of many fires in both agricultural and residential areas.

**THESE DANGERS
CAN CAUSE FIRES**

Vegetation fires

Building fires, outbuildings and other structures

Serious injuries

Major property damage

FIRE PREVENTION TIPS

- ✓ Never handle fireworks.
- ✓ Attend professional fireworks displays organized by experts.
- ✓ Make sure you have a fire extinguisher or a garden hose nearby when doing work that can create sparks.
- ✓ Report any fire immediately.
