

PIKE RIVER
STANBRIDGE EAST
SAINT-ARMAND
NOTRE-DAME-DE-STANBRIDGE

Did you know? SEPTEMBER

PRACTICE MAKES A DIFFERENCE!

Practice as a family!

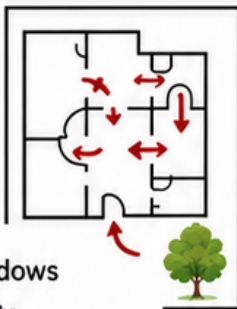

A fire can happen at any time.
Practicing a home fire drill
helps your family know what
to do and stay safe.

**Practice
at least
2 times a year!**

3 SIMPLE STEPS

1 DRAW A PLAN OF YOUR HOME

Mark doors, windows
and possible exits.
Identify a meeting
place outside.

2 CHOOSE YOUR MEETING PLACE

Choose a safe
meeting place
outside, away
from your home
and the street.

3 PRACTICE TOGETHER!

Do a fire drill
regularly and
make sure everyone
in your home
knows the plan.

DURING THE DRILL, REMEMBER TO:

Sound the alarm
as soon as you
see smoke or fire!

Get out quickly
and stay low
to the ground.

Go to your
meeting place
and check in.

Call 9-1-1
only when you
are safe.

PRACTICE TODAY, SAVE LIVES TOMORROW.

Together, let's make
smart choices
in case of fire!

REQUEST A HOME FIRE ESCAPE PLAN FOR YOUR FAMILY.

Contact your local fire
prevention technician
